

# HOTT ACTIVITIES

Lesson Plan

## HOTT Detectives PowerPoint Game

**Name:** \_\_\_\_\_

**Date:** 8-2-12

**References:** SD Office of Rural Health

**Professions:** Genetic Counselor

**Grade Level:** 3-8

*All HOTT lesson plans are designed with the purpose of increasing students' awareness of the variety of health careers that are available to them. If possible, invite the corresponding health professional into your classroom to discuss his/her occupation. If this is not an option, use the attached sheet(s) to share this/these career(s) with your students.*

**Purpose:** To introduce students to different health professions.

**Materials needed:** Computer with PowerPoint, [HOTT Detectives PowerPoint Game](#), list of health careers, and badge

**Duration:** 1 class period

### Instructions:

- Split class into even groups.
- Hand out the provided list of health careers (the teacher decides how many lists per group).
- Inform the students that they may use the list to guess the occupation and that they should cross off the career on the list after it has been used.
- Read the three clues out loud.
- The first group to solve the mystery by raising their hand receives the points.
- Points are awarded as follows:
  - Answered on 1<sup>st</sup> clue = 3 pts.
  - Answered on 2<sup>nd</sup> clue = 2 pts.
  - Answered on 3<sup>rd</sup> clue = 1 pt.
  
- Once the students have finished the game, hand out their badge.
- The students may color the badge, and then cut it out.
