

HOTT ACTIVITIES

Lesson Plan

HOTT Squares PowerPoint Game

Name: _____

Date: 8-2-12

Duration: 25 – 30 minutes

Professions: A variety of health professions

Grade Level: 6-12

All HOTT lesson plans are designed with the purpose of increasing students' awareness of the variety of health careers that are available to them. If possible, invite the corresponding health professional into your classroom to discuss his/her occupation. If this is not an option, use the attached sheet(s) to share this/these career(s) with your students.

Purpose: To introduce students to health careers by informing them about health issues.

Materials needed: Computer with PowerPoint, [Game 1](#), [Game 2](#), [Game 3](#), [Game 4](#), [Game 5](#), [Game 6](#). (Save games to hard drive and enable macros.)

Instructions:

- Decide who will be the 9th panelist. (Assign a profession to each panelist)
- Split remaining students into 2 groups. (X's and O's)
- First group picks a profession and clicks on that square.
- The corresponding panelist is asked the question.
- The panelist can give the correct or incorrect answer.
- Then, the group decides whether they agree or disagree with the answer given
- If the group gets the answer right, place an X or O in the box.
- The object of the game is to get three in a row (Like tic-tac-toe!)
