

HOTT ACTIVITIES

Career Peeks!

Name: _____

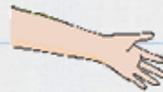

Take a peek at...

Radiologic technicians take x-rays of people's bodies. The x-ray pictures let the doctor see inside the body. They look at the pictures to see if anything is broken or not working right.

Circle the x-ray that is the widest.

Circle the arm that is the longest.

Circle the doctor that is the tallest.

Circle the skull that is the thinnest.
