Lesson Plan

Health Jobs for Me PowerPoint Game

Date: 6-11-12

Grade Level: K-2

Class/Classes: All

Professions: A variety of health professions.

All HOTT lesson plans are designed with the purpose of increasing students' awareness of the variety of health careers that are available to them. If possible, invite the corresponding health professional into your classroom to discuss his/her occupation. If this is not an option, use the attached sheet to share this/these career(s) with your students.

Purpose: To introduce students to a broad range of health careers.

Materials Needed: Game board & dice (1 die per group); [Health Jobs for Me PowerPoint Game](#)

Duration: 1 class period

Instructions:

- Divide the class into groups of up to 4 players.
- Hand out board, tokens, and a die to each group.
- Tell the students to decide who will be player 1, 2, 3, and 4. (This is the correct order to play the game).
- Teacher will run PowerPoint for class.
- The first question goes to player 1 for each group.
- Player 1 must tell their group the answer to the question. If they get the answer correct, they may roll the die and move the number of spaces rolled. If the student gets the question wrong, they must remain on the same square.
- If a student lands on a square with directions, he/she must follow the directions.
- First player to reach "Strong Kid" wins.

A **children's doctor or a pediatrician** is a doctor who helps kids and babies feel better when they are sick. They give them check-ups to make sure that they are healthy. They can also give kids medicine to help them feel better.

Who has been to the doctor or pediatrician lately?

What did the doctor do?

Where does a doctor work? (*hospital, clinic*)

Who helps the doctor? (*nurse, pharmacist, lab tech....*)

A **Nurse** is a person who cares for people who are sick or disabled. The nurse may check the patient before the doctor sees them. They may check the ears, throat, eyes, or blood pressure.

Do you know a nurse?

Where can a nurse work? (*school, clinic, hospital...*)

Do you know your school nurse?

How do nurses help you?
