

Crossword Puzzle

Professions: A variety of health professions **Grade Level:** 3-5

All HOTT lesson plans are designed with the purpose of increasing students' awareness of the variety of health careers that are available to them. If possible, invite the corresponding health professional into your classroom to discuss his/her occupation. If this is not an option, use the attached sheet(s) to share this/these career(s) with your students.

Purpose: To inform students on a variety of health careers.

Materials needed: writing utensil, worksheets

Duration: 10 - 15 minutes

Instructions: Hand out worksheet to the children to do if there is extra time between lessons or use it as a lesson.
