## Take a peek at...

**Physical therapists** help people who are hurt when they have things like a broken arm, a twisted ankle, or a hurt back. They show people how to lift weights or jump ropes or throw heavy balls to help them get better.

**Follow these instructions to color the picture:**

- Color the doctor's shirt green and the patient's shirt orange.
- Color both of the people's pants blue.
- Color the table red.
- Color the patient's hair and shoes brown.
- Draw a door to the right of the picture and color it brown.
- Draw a clock to the left of the picture.
- Make the clock say 10:30.
