

Uncover PowerPoint Game

References: SD Office of Rural Health

Professions: A variety of health professions

Grade Level: 3-5

All HOTT lesson plans are designed with the purpose of increasing students' awareness of the variety of health careers that are available to them. If possible, invite the corresponding health professional into your classroom to discuss his/her occupation. If this is not an option, use the attached sheet(s) to share this/these career(s) with your students.

Purpose: To introduce students to a variety of health professions.

Materials needed: Computer with PowerPoint, see link for PowerPoint Game [file:///Espr1fs16/hepr1\\$/HOTT/Summer%20Projects/Powerpoint%20Games/3-5/Uncover/Uncover.ppt](file:///Espr1fs16/hepr1$/HOTT/Summer%20Projects/Powerpoint%20Games/3-5/Uncover/Uncover.ppt), and the list of health careers

Duration: 1 class periods

Instructions:

- Decide whether you want to play the game as a class or in groups. If you decide to play the game in groups, split the class into even groups of 4 or 5.
- If you decide to play the game in teams, you may decide to keep score. Give the team a point if they answer correctly. If the team answers incorrectly, remove a point.
- You may hand out the list of health careers.
- The students should guess the picture as soon as they can.
- The team with the most points wins.
