

Give Me a Break

Grade Level: K-8

Professions: Radiologist and Radiologic Technician

All HOTT lesson plans are designed with the purpose of increasing students' awareness of the variety of health careers that are available to them. If possible, invite the corresponding health professional into your classroom to discuss his/her occupation. If this is not an option, use the attached sheet(s) to share this/these career(s) with your students.

Purpose: To introduce students to the importance of a survey questionnaire, the basics of data collection and graphing, and the concept of relationships between data.

Materials needed: Paper, pencils, markers or dot stickers, and large construction paper or bulletin board paper

Duration: At least 2 class periods
