

Word Scrambler

Class/Classes: All

Professions: A variety of health professions **Grade Level:** 9-12

All HOTT lesson plans are designed with the purpose of increasing students' awareness of the variety of health careers that are available to them. If possible, invite the corresponding health professional into your classroom to discuss his/her occupation. If this is not an option, use the attached sheet(s) to share this/these career(s) with your students.

Purpose: To educate students about different health careers.

Materials needed: attached worksheets

Duration: 10 - 15 minutes

Instructions:

- The teacher will hand out the worksheet.
- The students will complete the worksheet.
