

# Health Occupations for Today and Tomorrow

---

## Suggestions for Activities

- Meet with principals to explain the Health Occupations for Today and Tomorrow (HOTT) Program and to direct them to the website
- Provide an in-service for teachers. These in-services should highlight resources that are available to them via the HOTT website.
- Meet directly with appropriate teachers.
- Provide presentations to various K-12 classes.
- Invite a local healthcare provider to present with you.
- Participate in local career fairs.
- Meet with guidance counselors.
- Meet with school boards.
- Be CREATIVE!
- HAVE FUN!
